### OUR MISSION

Friends of Kids with Cancer is devoted to enriching the daily lives of children undergoing treatment for, and survivors of, cancer and blood-related diseases. Our mission is to be an advocate for these special kids and provide them and their families with the Educational, Emotional and Recreational support needed as a result of the long hours of chemotherapy, illness and isolation.

### OUR PROGRAMS

Our Educational Programs engage our patients' minds and enhance their self-esteem.

Our Emotional Programs instill confidence in our patients and help form therapeutic relationships, which assist in releasing built-up emotions.

Our Recreational Programs keep smiles on our kids' faces every day despite their illnesses.

## VOLUNTEER SPOTLIGHT

### KAREN KORN

You probably notice this friendly face especially if you have been to any of our Friends of Kids events over the years! **Karen Korn** is not only a mother to one of our patients, but long time board member, committee member, volunteer and friend. Karen's love for this organization runs so deep in fact that she decided to start her own interior design company (Karen Korn Interiors) in order to have more flexibility and time to volunteer. Every Wednesday you will find Karen shopping for snacks, delivering toys to the treatment centers, assisting in the office and spreading her joy wherever she goes!

*"I know firsthand how it feels to be told that your child has cancer. I also know firsthand the positive impact that Friends of Kids with Cancer has on a "cancer family's" life. Friends has supported us through the years in every aspect*

*of our lives. We have enjoyed parties, support groups, gifts, events, and more. We have also enjoyed the gift of giving back to the organization that feels like family. Friends is our community and has embraced and supported us from day one. Even through our struggles, life has been good to us. I feel extremely grateful to be able to help Friends in any way that might make even the slightest difference."* -Karen

Thank you Karen for your years of support but most importantly for helping kids with cancer... be kids!

## CORPORATE SPOTLIGHT

### SIDE PROJECT BREWING, RANKED THE SECOND BEST IN THE WORLD

If you have a love for craft beer, then you're going to love this article!

For beer drinkers around the world, Zwanze Day is a much anticipated yearly event. This day celebrates the release of Cantillon's Zwanze, a special release Lambic series established in 2008. Zwanze beer is usually a different style each year and is something other than a traditional Cantillon Lambic beer. Only a small batch of an experimental beer is brewed and an even smaller group of breweries around the world are offered a special keg to share with friends and customers. In conclusion... this beer is rare and exceptionally hard to get ahold of!

Nestled in the heart of Maplewood you will find one brewery that has beaten the odds and successfully acquired the sought after Zwanze brew for the past five years.

Side Project Brewing was founded by **Cory and Karen King** in 2014. What began as a dream and side project quickly became a booming establishment that beer enthusiasts have grown to love. Side Project focuses on producing only barrel-aged beers with an emphasis on Saisons, Wild Ales, and spirit barrel-aged beers. Passion and experimentation drive the creation of these rustic to aggressive ales but what truly sets Side Project apart from their competitors is the love they have for the community in which they reside.

Despite the countless awards, world class nominations and esteemed press, Side Project has remained humble in their approach to giving back and lucky for us, Friends of Kids with Cancer has become one of their favorite charities to give back to.

*"A good friend introduced us to this amazing organization. We love supporting FOKWC because I think we all have loved ones who have been affected by cancer. And I'm so happy that FOKWC gives children with cancer not only love and support, but also fun activities and events to participate in! I also love that it helps local families."* - Karen King, Side Project Owner

Unlike other Zwanze days, Side Project has added their own unique twist to this already exclusive day. A raffle for charity offers the chance to win sought after beers from their collection. Since 2015 these raffles have totaled nearly \$42,000 for our programs and services! We are speechless every year and so gracious for their support.

## KIDS HELPING KIDS

### HARPER THE BRAVE & HER ONE OF A KIND DONATION

"On February 2nd, 2019, my youngest daughter, **Harper**, was diagnosed with leukemia. The next few days were hard. Two days later, while sitting in bed, Kelly from Child Services came in with a gift card from Friends of Kids with Cancer. Harper immediately perked up, and within 15 minutes she'd sent me out of the hospital to spend that money!! Friends of Kids with Cancer gave us our first good day. Harp is in remission and we wanted to give back some of what they've given us." - **Matt**, Harper's dad

Harper is a gamer; she's in Tales of the Margreve (Kobold Press) with her sister, Ghoul Island (Petersen Games), and she plays D&D and loves to write stories. It only made sense that she would help write a D&D adventure book and to use it as a platform to raise funds for Friends of Kids. This project began as a conversation in the hospital, turned into an outline after she was discharged, and is now an amazing book that we are all so proud of.

**Harper's Tale**, launched in September of 2019, is an epic D&D adventure story of

sacrifice, perseverance, and redemption. The heroes will investigate, battle, and learn the true origins of the threat to their home- a mysterious illness that has taken over the town, leaving only two young women, Rose and Grace, to care for the populace. Harvesting the cure is their greatest challenge.

"*Harper's Tale is much more than a story about hope and adventure. It's more than an opportunity to help kids just be kids. It's also about inclusivity and hearing the voices of those who aren't heard often enough.*" - Matt

It's a straightforward story but one with resonance to Harper going into remission. From seasoned writers and professional artists to individuals from the gaming community and crowdfunding backers, hundreds have rallied behind not only Harper for this project but all of the kids served by FOKWC.

When Harper and her family aren't gaming you can find them hosting countless other fundraisers for the Friend's Kids including

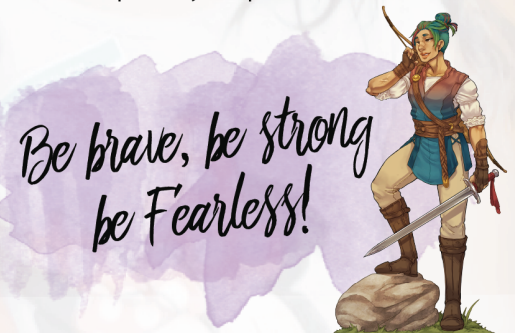

yoga classes, birthday Facebook fundraisers, creating a team for our annual Walk with a Friend and enjoying the plushies and lollipops we give out... the list is endless and we are so grateful for their dedication to giving back and helping kids with cancer... be kids!

### FOKWC 22ND ANNUAL GOLF TOURNAMENT: MAY 18, 2020

*"Friends of Kids with Cancer will always be special to me. This organization has helped my niece and her family in more ways than I can describe. From art therapy to holiday parties and trips to Disney on Ice, I've seen the impact FOKWC has on the families that they serve. Every dollar is spent with thoughtfulness and purpose to help make a difference in these kids and their families lives. No donation is too small to make an impact and help kids with cancer... be kids!"* -Alex Pietrangelo, St. Louis Blues Captain & Honorary 2020 Golf Tournament Chair

**We are actively seeking a Title Sponsor for this event!** Join Alex on May 18th at the Whitmoor Country Club for our 22<sup>nd</sup> Annual FOKWC Golf Tournament, benefiting our Educational, Emotional, and Recreational programming. By becoming a sponsor you will receive the following and help kids with cancer... be kids!

## WHY SPONSOR OUR GOLF TOURNAMENT?

Learn how you can increase your ROI by sponsoring one of the top charity golf tournaments in the St. Louis area.

**Establish Connections** - attract new customers and network with many of the top business builders in St. Louis.

**Marketing Opportunities** - identifying yourself as a "give back" business and increase your brand's exposure and awareness.

**Entertain Clients** - gift your key associates an experience to a five-star setting at one of the top golf courses in St. Louis. Gourmet breakfast catered by Russo's, snacks and beverages throughout the day, lunch from OB Clarks, giveaways, live auctions, and a filet mignon dinner included.

**Sponsorship doesn't have to be monetary** - donate branded items, tickets to sporting events and concerts, silent auction baskets, vacation homes, volunteer time, or offer free business services!

## YOUNG PROFESSIONAL BOARD DONATES...

Young Friends of Kids with Cancer continues to dedicate their time and enthusiasm to make 2019 a successful year. **After 10 years and more than \$359,000** raised for FOKWC programs and services we are without a doubt so very proud of each and every member! From planning Magic House and City Museum patient parties to fundraisers at Top Golf and the Fabulous Fox, this team of young professionals have always gone above and beyond to help kids with cancer... be kids!

**Magic House:** A fun time for over 300 families to gather and make friends. This private party is complete with Princess meet and greets, Andy's frozen custard, dinner, face painters, and fun giveaways for "back to school."

**Top Golf:** Inaugural fundraiser hosted at Top Golf in Chesterfield. Participants enjoyed rounds of golf, connecting with old friends, food and drinks. Everyone had so much fun that it looks like we're making this an annual event. Stay tuned for more information as we plan to host the next one sometime in September.

**VooDoo in the Lou:** A crowd pleaser! This past February we partied like Gatsby and rolled in the roaring 20's! Guests enjoyed hors d'oeuvres and an open bar, live music from the widely-known Diamond Empire Band, fun burlesque shows featuring Lola Van Ell & Company, interactive magic performances, enticing silent auction items, and raffle baskets, and much more.

## MEET OUR NEW STAFF

### MORGYN MOUNT, ADMINISTRATIVE/ VOLUNTEER COORDINATOR

*Giving is not just about making a donation. It is about making a difference. - Kathy Calvin*

Some of you have already had the pleasure of meeting Morgyn in the office or at our most recent events. For those who have not, Morgyn graduated from Lindenwood University in 2018 with a degree in Corporate Communications. She was previously an intern at our office working alongside Mary and interned at the Cardinal Glennon Children's Foundation. We absolutely loved her and were so sad when her internship ended.

After graduating Morgyn spent some time in the sales industry and missed her passion for helping others. When the volunteer position opened up, she couldn't help but apply and fulfill her calling- helping kids with cancer... be kids! Morgyn loves Bath and Body candles, hanging out with her cute pup, planning her upcoming wedding with her fiance Dan, and spending time with family.

Morgyn loves meeting new people and is excited to be back in the office as an official team staff member as the Administrative/ Volunteer Coordinator for Friends of Kids with Cancer.

## OUTGOING BOARD MEMBER

### JOE CURATTO, A FRIEND FOR LIFE

**Joe Curatto**, a longtime member of our Board of Directors, retired from board service at the end of this past year. His record of service to FOKWC is truly extraordinary and we can without a doubt say that the organization would not be where it is today without his love and guidance.

In 1992 Joe became one of the founding board members of FOKWC, and has served on our board representing our programs and services for nearly 27 years!

Joe Curatto (right) with board member Matt Biffignani (left) at Art from the Heart

*"As I was visiting with my sister and her new baby at Saint John's Mercy Hospital I decided to stop by and see Molly Henry, a long time friend whose daughter, Ellen, was receiving treatment on the pediatric oncology floor. My short visit left a deep and lasting impression on me. Sadly Ellen passed away about 45 days later. Soon after that Molly asked me to become involved with Friends and I became a board member. It was one of the best decisions I've ever made."* - Joe Curatto

Throughout his years of service Joe has served on the Finance and Development committees and chaired the second annual FOKWC Golf Tournament. He has brought his humor, his deep connections to the St. Louis community, and his vast knowledge in finance to our discussions of growth and development. Looking back, Joe likes to marvel at how much FOKWC has grown in such a short time. From \$20,000 to more than \$5 million; a small kitchen table to a beautiful new location in Maplewood, FOKWC has truly been blessed!

*"Joe has as big a heart as anyone I know. He has always put the interests of the kids above all else and has always been their tireless champion over the years. I'm so grateful to him for his many many years of service to our mission."* - Molly Henry, Founder FOKWC

In addition to serving on the FOKWC board, Joe also has been active with new board and committee recruitment. He introduced us to FOKWC's current

*"Children battling cancer are inspirational and teach us how to endure with grace. These courageous kids are brave and have insight well beyond their years."* - Joe Curatto

**Vice President, Scott Biermann** who has been a tremendous support to the organization.

*"I was very fortunate to be introduced to FOKWC by Joe Curatto. There was no one more passionate than Joe about the long term success of the organization and enriching the lives of the kids currently undergoing treatment. His dedicated board service and contributions helped set the foundation for what Friends has become today."* - Scott Biermann

Joe's abiding love for the kids and families of Friends of Kids with Cancer will never diminish and we are confident that this is not goodbye but more of a "see you later" as Joe will remain a volunteer and close friend to the organization for countless years to come.

**Please join us in expressing our deep gratitude to Joe for his long and loyal service.**

### FOKWC USES NEW LOCATION TO PROVIDE GIRL'S DAY OUT PARTY

Some people wonder "Why did you move to Maplewood? What do you use all of the new space for?" The answer is simple- we did it for the kids!

Friends of Kids with Cancer's new home not only gives us more room to store our toy closet and family party supplies, but a safe place to host support group sessions, tutoring, and fun teen get togethers to encourage friendship building and smiles.

Our most recent event happened this past fall. We partnered up with one of our favorite jewelry stores, **Kendra Scott**, and invited our

patients, their moms and sisters for a fun day out. Because our new space offers more room to spread out, we were able to host an array of activities throughout the afternoon.

Kendra Scott's famous color bar was able to set up in our lovely pink room allowing the girls an opportunity to design their jewelry right then and there! What girl doesn't love glitter? **Spread Ari's Light** joined in on the fun and gave each of the girls fun sparkly tattoos to go along with their new accessories. **Alice's Table** provided flowers and taught everyone how to make floral headpieces; all the rage these days. The day was followed with a lovely lunch and plenty of desserts in our board room, where we were able to transform the space into a

cute "café" allowing the moms time to connect and mingle and the siblings the opportunity to make some new friends as well.

We are so grateful that we can offer moments like these to our patient families and provide little moments throughout the year for fun.

*When you exude confidence  
others will naturally follow!*  
- Kendra Scott

### FOKWC NAMED TOP 100 LIST

St. Louisans have spoken! Friends of Kids With Cancer recently received the "**Town&Style Top 100**" award for Favorite Local Nonprofit to Support! For the annual Town & Style Top 100 list, their readers share their favorite local spots for everything from grabbing a refreshing cocktail and shopping for unique finds to enjoying a night out or scheduling some 'me' time. Winners were determined by an online poll in 10 categories.

This is a huge honor and we couldn't have done it without the love and support of our community!

## 27th ANNUAL FASHION SHOW BREAKS A FUNDRAISING RECORD OF OVER \$400,000

The **27th Anniversary Fashion Show & Boutique** was a day focused on 30 special kids; a day full of fun, smiles, laughter and memories. To witness true strength is to attend this fundraiser and see these kids get up on that stage and walk the runway with big smiles on their faces. Many of these kids are exhausted, in pain and weak, but they do not let cancer define them.

From the minute the kids arrived at **The Ritz Carlton** on Monday morning, they were pampered with gifts, met with their model partners and fueled up with breakfast. The kids hit the runway for a dress rehearsal, followed by hair and makeup and the luncheon show. In the evening we experienced an unexpected snow storm. Lucky for us, our supporters are amazing! Guests braved the winter cold and made it just in time to see old friends, enjoy the open bar, and shop at the boutique vendor booths.

The kiddos were met with some pretty excited local celebrities- our very own Stanley Cup winners, the **St. Louis Blues!** We are always wowed by their heart and desire to give these kids a memorable night filled with fun. Dancing on the runway and private meet and greets were easily the best part of the night for the older patients. Special thanks also goes out to **Famous Footwear and Dillards** for providing a brand new outfit and pair of shoes to each of our models.

An event this spectacular would not have been possible without the generous support of our sponsors, planning committee members, volunteers and staff. **Over \$156,000 was raised** between Fund-a-Need lunch and dinner, and our new addition of a silent auction! This was an across the board record for all of our events. THANK YOU for helping kids with cancer... be kids.

Our 28th annual Fashion Show will be held on Thursday, November 5, 2020. We look forward to having you join us as we continue to help these amazing kids!

## Thank You to Our RUNWAY SPONSOR

During our Veterans Day tribute, patient fathers **Parker Nilsen** and **Victor Espinoza** were awarded the Silent Hero award for their many years of dedication to FOKWC in memory of their sons.

## FEATURE STORY

### EMPOWERING KIDS WITH CANCER TO FEEL LIKE THE HEROES THEY ALREADY ARE

It is no secret our kiddos are real life superheroes! They show us how to be brave and courageous, smile even on the hard days, and always remain positive no matter what.

Two years ago, **IIDA Gateway** approached Friends of Kids with Cancer with a unique idea of creating capes for our special kiddos. The end results have left us completely speechless year after year, don't believe us... just check out some of their amazing creations below!

IIDA Gateway strives to create a Chapter for talented and visionary Interior Design professionals by elevating professionalism, building a sense of community, providing a forum to educate design professionals with the expertise of knowledge in health, safety, well-being and best business practices, ultimately developing designers who create value in extraordinary interiors. Quite honestly, we couldn't think of a more talented group to create these stunning works of art!

And who doesn't love a bit of competition? That's right, Capes for Kids is a design

competition where designers create capes for kids suffering with terminal diseases. Each team of five receives a box of materials as well as their assigned superhero ONE month prior at IIDA's "But First Cocktails" event. Designers then come with sketches and design ideas and all assembly must take place during the event. Frozen, The Little Mermaid, Pixar, Hulk and even Batman were all brought to life this past January.

Capes will be given to our very own FOKWC superheroes during our next family party. Follow us on our social media channels to track this story.

#### **THIS YEAR'S WINNERS**

**Best Overall:** Batman

**Best Concept to Creation:** Captain America

**Best Craftsmanship:** Rapunzel
