of Kids with  
Cancer

Helping kids with cancer... be kids!

# Teen Gift Drive

Friends of Kids with Cancer is a local nonprofit providing resources to children and families in St. Louis diagnosed with cancer or blood-related diseases for over 30 years.

Our mission is to be an advocate for these special kids, providing them and their families with the educational, emotional, and recreational support needed as a result of the long hours of chemotherapy, illness, and isolation.
